

## Clean Communities Coordinator Recertification Form

In order to retain their certification, individuals must acquire twenty (20) hours of continuing education and/or training during the two years (approximately) following their initial certification and for each two-year period thereafter. This form is for reporting recertification efforts during the period ending December 31, 2024.

Recertification hours will be made available for **all** NJCCC events. Information on the number of hours associated with a program or event will be included on all announcements for those programs.
