

Business Partnership Program

The Trustees of the NJ Clean Communities Council (NJCCC) are proud to announce exciting new Sponsorship Opportunities for our **Bag Up NJ Campaign!** Support our organization, while showing your support for a litter-free New Jersey and help reduce our reliance on single-use bags and straws.

On Nov. 4, 2020, Governor Phil Murphy and the New Jersey Legislature enacted the most progressive bag ban law in the country. The law reduces litter and encourages the use of reusable bags by phasing out single-use plastic and paper bags. The New Jersey Clean Communities Council is responsible for developing and implementing a Statewide public information and educating program, including distribution of free reusable bags.

"Bag Up NJ" is the New Jersey Clean Communities Council's new single use plastic and paper bag ban outreach campaign, which has a simple message: **Bring your own reusable bag(s) when you shop.** The NJCCC wants to get consumers in the habit now of bringing their own reusable bags with them when they shop. Through our Business Partnership Program, companies would help support the purchase of reusable bags (with their company logo and the BagUpNJ logo) and the NJCCC would organize corresponding outreach activities and press events.

Yes, I would like to be a Business Partner!
