

New Jersey Clean Communities Seminar: The Visual Litter Survey

SAVE THE DATE!

May 2, 2019
9:00am - 3:30pm
The Armory in Perth Amboy

Join us for the launch of VLS 2019, a visual litter survey of waterways in New Jersey and the VLS 2019 Curriculum!

Hosted by the
New Jersey Clean Communities Council, Inc.
Rutgers/NJAES Office of Continuing Professional Education
Environmental Resources Planning, LLC

In order to participate in the VLS, Clean Communities Coordinators **must** attend the VLS 2019 Seminar on May 2 at the Armory in Perth Amboy.

The seminar is open to anyone who would like to conduct a litter survey. Clean Communities Coordinators do not need to be certified to participate. However, registration is required. Fees may be charged against Clean Communities grants.

Recertification credits for Certified Clean Communities Coordinators, Certified Recycling Professionals and Certified Public Works Managers will be available for each session.

Registration information available after March 1 at:
